DISCIPLING PACIFIC COMMUNITIES WORKSHOP

DOES YOUR CULTURE INFLUENCE YOUR FAITH? OR YOUR FAITH INFLUENCE YOUR CULTURE?

Grow in your personal faith, and explore the expertise and skills required for effective discipleship in the local church, local community, and/or global missions within a variety of Pasifika contexts.

Join Gina Siaosi for this workshop, and learn about the practical dimensions of Christian ministry by engaging with key Pasifika leaders in church environments, and professional vocations. Develop leadership thinking and practice to effectively minister in Christian missions and inter-cultural communities.

“COME AND EXPLORE THE EXPERTISE AND SKILLS

required for effective discipleship in inter-cultural communities. Develop an understanding of the practical dimensions of Christian ministry.”

Gina Siaso
Workshop presenter

Grow in your intimacy with God, develop your ability to hear his voice, and the leading of the Spirit. Expand your knowledge of Pacific worldviews and how to engage effectively with Pacific and other inter-cultural communities for fruitful discipleship and missions.

TOPICS COVERED

The Father Heart of God: A Pasifika Perspective

Discover the transformational love of the Father. We will explore intimacy with God - hearing God's voice, prayer and worship as a lifestyle. Dig deeper into what it means to be authentic sons and daughters of God.

Redeeming Cultures

Explore the foundations of Pacific Island Nations looking at Conscience, Identity, Vision & Purpose, and consider covenant renewal as a Pasifika Diaspora response.

Influencing the Spheres of Society

Look at the impact kingdom principles could have in the areas of Arts & Entertainment, Business, Church & Missions, Media, Education, Family, and Government. Dig into the role and impact of the Apostolic & Prophetic ministry within the Church and Marketplace.
