# 2017 NATIONAL ALUMNI GATHERING

## Looking Back, Looking Forward

## AUCKLAND

Saturday 5 August 2017

## CHRISTCHURCH

Saturday 12 August 2017

To the graduates of Laidlaw College, BTI, BCNZ and MASTERS Institute.

You are warmly invited to attend the 2017 National Alumni Gatherings in Auckland and Christchurch. Spouses or partners are most welcome.

Come and join with other alumni as we reflect on lessons from our past and inspiration for our future, taking a journey through some key moments in the College's history. We will be thinking about what it has meant to be a community of faith for 95 years and where Laidlaw needs to go to continue serving the cause of the Gospel in Aotearoa New Zealand and beyond over the next 20 and 100 years. Enjoy relaxed opportunities to catch up with old friends, and meet alumni from other years.

*We would love you to join us!*

Jenny Mackie (Alumni Coordinator)

## DINNER INVITE

A catered dinner will be held at the Henderson campus on the evening of the Auckland Gathering (5 August).

Speakers will be former Principal Dr Rod Thompson and current Principal Dr Roshan Allpress. Tea/Coffee and a place to relax and catch up with old friends is available between the end of the Gathering and the commencement of the dinner.
