Specific Result:

The screenshot shows a database record for an article. The record includes fields for Title, Author(s), Source, ISSN, Publication Year, Language, Subjects, Related Books/Electronic Resources, Publication Type, Issued by ATLA, Accession Number, and Persistent link to this record (Permalink). Annotations with red arrows and circles highlight specific features: a 'Citation option' menu with icons for print, email, save, and citation; the 'Peer reviewed' subject term; and the 'Find Similar Results using SmartText Searching' link in the 'Related Information' sidebar. A note explains that the 'Peer reviewed' subject term results in limited peer-reviewed material, and another note describes the 'Citation option' menu.
